

## Youthpass

This document certifies that **Pablo LOPEZ GUARDIOLA** took part in a project called **ToT and Coaching for Future Entrepreneurship Ambassadors**. It was a training course. The project was organised by **LIFOS YOUTH GROUP**, in cooperation with **Institute for technology transfer and technology, Eeesti People to People, Young Entrepreneurs of Thessaloniki, Vicolocorto, CEFE Macedonia, Stichting Diversiteitland, Fundatia Judeteana pentru Tineret Timis, A.D.E.L. Association, education and labour, Fundacion UniversSan Antonio, Wroclaw Youth Club**

Within Erasmus+, a training course is a project where youth workers and youth leaders come together for several days to develop their knowledge, skills, and attitudes on a certain theme. The daily programme of the course is based on learning objectives and facilitated by experienced trainers. The training courses promote the initiative and creativity of participants and have a direct impact on their future youth work or youth policy activities, such as organising quality projects and providing intercultural and non-formal learning experiences for young people.

Altogether, **26** people from **Bulgaria, Estonia, Former Yugoslav Republic of Macedonia, Greece, Italy, Netherlands, Poland, Romania, Slovak Republic, Spain, and Turkey** took part in the project.

### The overall aim and specific objectives of the project:

The partnership developed is meant for the partners to gain expertise to help them build their capacity, being sustainable and scale, and to develop innovative and easy to share practices (the CEFE Methodology) for youth entrepreneurial training programs around Europe. The methodology will be acquired by the planned activities and it is based on the global experience of testing it and implementing around four continents. The methodology will be disseminated to partner organization societies.

### Main contents and activities of the project:

The flow of activities will consist in three main type of activities: (1) Training of trainers, (2) Coached training "Become an Entrepreneur" and (3) Evaluation activity for future trainers. They are designed to reach the objectives of the project:

- Increase participants' competence in state of the art of CEFE methodology application;
- Enhance familiarity with methodology recent tools and exercises and develop the ability to create new exercises and training programs;

### Trainer/s:

Zoran VITANOV , Jovan STALEVSKI

### Among the results of the project are the following:

We reached the results and objectives, project used CEFE methodology. That stands for Competency based Economies, Formation of Enterprise and is a comprehensive set of training instruments using action-oriented and experiential learning methods to develop and enhance the business management.

Kayseri/TURKEY, 14/10/2015
